CRITERION II   **MENTOR MENTEE ALLOTMENT**

Key Indicator - 2.3 Teaching - Learning Process

2.3.2 The institution adopts effective Mentor-Mentee Schemes to address academics and student-psychological issues.

Mentor Mentee Allotment

Mentor-Mentee allotment is a structured process designed to foster supportive relationships between mentors and those seeking guidance and advice. Typically, this system aims to enhance the overall academic and personal development of students.

The allotment process begins at the start of the academic year. Effective mentor-mentee relationships contribute significantly to the sense of community within a college, fostering a culture of collaboration and mutual growth.
