

Key Indicator - 2.4 Teacher Profile and Quality

2.4.4. Percentage of Full time teachers working in the Institution throughout during the Last Five Years

Average percentage of full time teachers throughout the Assessment period

Number of full time teachers working in the institution throughout during last five years	177
Number of full time teachers worked in the institution during the first year of Assessment period	220

FORMULA:

$$\text{Percentage of full time teachers} = \frac{\text{Number of full time teachers working in the institution throughout during the last five year}}{\text{Number of full time teachers worked in the institution during the first year of the assessment period}} \times 100$$

Percentage of full time teachers working in the institution= 177/220= 80.45

Percentage of Full time teachers working in the Institution throughout during the Last Five Years = 80.45
