

Key Indicator - 2.5 Evaluation Process and Reforms

2.5.1 Average number of days from the date of last semester-end/ year- end examination till the last date of declaration of results during the last five years

Relevant Document for Declaration of Results

Average number of days from the last date of examination till the last date of declaration of results

Assessment Year	2023-2024	2022-2023	2021-2022	2020-2021	2019-2020
Number of days	10	16	18	19	14

$$\text{Average No. of Days} = \frac{\text{Total Number of Days}}{\text{Number of years in the assessment period}}$$

$$\text{Average No. of Days} = 10 + 16 + 18 + 19 + 14 / 5 = \mathbf{15.4 \text{ days}}$$
