Student Union Council Report

2022-2023

The Cauvery Students Union was created, with all members elected and office bearers chosen by the Principal and Department Heads. Throughout the academic year, the crew is authorized to carry out all of the students' welfare activities, co-curricular activities, and other endeavors proposed by the Student Union. They were also members of the academic council, which represented academic issues to management. They symbolize the problems encountered by students, who have to bring them up to the Principal. Beneath the direction of the President of the Student Union, the Cauvery Students Union manages all intra-college cultural competitions "WINGS" and intramural sports events, as well as other key college ceremonies.
