Details of Classrooms

The design and construction of the classrooms prioritize the comfort of both students and faculty members by providing generous space and effective ventilation across five distinct blocks B, C, D, E and F. These classrooms are equipped with modern amenities such as green boards and state-of-the-art ICT resources. These features are carefully selected to meet the evolving needs of students and to facilitate more interactive and engaging learning experiences. The integration of technology like ICT tools not only enhances the teaching methods but also empowers students to explore and understand concepts more comprehensively.
