GRAMMARLY CHECKER SOFTWARE

Key Indicator - 4.2 Library as a Learning Resource

4.2.1 Library is automated with digital facilities using integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students

Grammarly Checker Software:

Grammarly checker software in a library enhances the quality of academic work and research conducted by students and faculty. This software acts as a powerful tool for proofreading and correcting grammar, punctuation, spelling and style errors in written documents, including essays, research papers, reports and presentations. By providing real-time feedback and suggestions for improvement, Grammarly helps users to refine their writing skills and produce polished and professional-looking content. Its integration into the library's digital resources empowers users to create high-quality academic materials and meet the rigorous standards of scholarly writing.

GRAMMARLY CHECKER SOFTWARE

The screenshot displays the Grammarly web interface. On the left, a document titled "Untitled document" contains the following text: "In our library, we maintain annual stock checks by counting library documents to confirm the data. This year we newly implemented a barcode scanner system that will significantly reduce the time required for book checkouts, returns, and inventory management, Barcode scanning will ensure accurate tracking of library resources, minimizing errors and discrepancies in inventory records. Barcode Scanner procured from Sree Krishnas Marketing, Madurai, Net price of 13, 570/- (including Tax), Kindly do the needful". The text is partially underlined in yellow. The right-hand sidebar shows a "Review suggestion" section with a score of 82. It lists two suggestions: "Correctness - Punctuation" and "Clarity - Clarity". A "Premium" button is visible, along with a "Check for plagiarism" option at the bottom of the sidebar. The bottom status bar indicates "74 words" and provides standard text formatting icons.
