Key Indicator - 4.2 Library as a Learning Resource

4.2.1 Library is automated with digital facilities using integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students

INTEGRATED LEARNING MANAGEMENT SYSTEM

ILMS enables efficient cataloguing and organization of library materials, simplifies circulation processes like check-in/check-out, reserves, and renewals, automates acquisitions and inventory management, and provides online access to the library catalogue and resources. It offers tools for analytics, reporting and user engagement, enhancing the overall efficiency, accessibility and user experience of the college library for students and faculty.
