

**CRITERION IV****SUPPORT STAFFS FOR MAINTENANCE****Key Indicator - 4.4 Maintenance of Campus Infrastructure**

4.4.2 There are established systems and procedures for maintaining and utilizing physical and academic support facilities – classrooms, laboratory, library, sports complex computers, classrooms etc.

Support Staffs for Maintenance

The maintenance support team comprises individuals handling House-keeping duties, grounds maintenance, electrical, plumbing, carpentry, painting, security, waste management and administrative tasks. Together, they maintain the college's infrastructure, ensuring its cleanliness, functionality and safety. Their efforts contribute significantly to create a conducive and well-kept campus environment that enhances the overall experience.
