Key Indicator - 4.4 Maintenance of Campus Infrastructure

4.4.2 There are established systems and procedures for maintaining and utilizing physical and academic support facilities – classrooms, laboratory, library, sports complex, computers, classrooms etc.

Register for Scavengers

A register for scavengers is a record-keeping system that documents workers activities. It includes details such as the date, time, location and items utilized by the workers. This register tracks the use of discarded materials for recycling or repurposing. It supports sustainability efforts on campus. The data collected helps to evaluate the effectiveness of scavenging initiatives. These initiatives aim to reduce waste and increase environmental awareness among students and staff.
