The Cultural club and Sports club of the institution are responsible for the cultural and sports events. Additionally, departmental associations and Extension clubs also host various events and competitions. These clubs strive to bring out the hidden talents of the students of our college. Every year these clubs organize several intercollegiate, interdepartmental and intradepartmental activities, fostering a vibrant atmosphere that encourages active student participation from diverse courses. This involvement enhances the personal skills and experiences like confidence, self-presentation; teamwork and collaboration, time management and organizational skills, self-awareness, self-discipline, and open-mindedness, allowing students to explore new ideas and push beyond boundaries.
