

Key Indicator - 6.1 Institutional Vision and Leadership

6.1.1 The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.

NEP Implementation

In alignment with the National Education Policy (NEP), Teachers and Students actively participated in national and international seminars and conferences. Two of our Sarathis - Nikitha K, Department of Nutrition and Dietetics and Harini G, Department of Business Administration attended “Southern Zone Vice-Chancellors’ Conference Implementation of National Education Policy - NEP 2020” and discussed about the NEP which was held at SASTRA Deemed University, Thanjavur on 5th January 2024.

We promote interdisciplinary elective courses and have wholeheartedly integrated all skill based elective courses as hands on training (practical) following the principles of the NEP into our curriculum.

4226 ABC/APAAR ID’s created in ABC(Academic Bank of Credits) with 13021 credits and 17972 marksheets have been uploaded in NAD portal.

The Institution has taken significant steps to foster entrepreneurial skills through our Entrepreneurial Development Cell enhancing both the benefits and employability of our students.

Our curriculum integrates the Indian Knowledge System through value-added courses. Additionally, we offer languages like Tamil, Hindi, and Sanskrit to first and second-year students. To emphasize Indian culture, we teach Folk Dance and Silambam, and organize Kolam competitions during the Pongal festival.

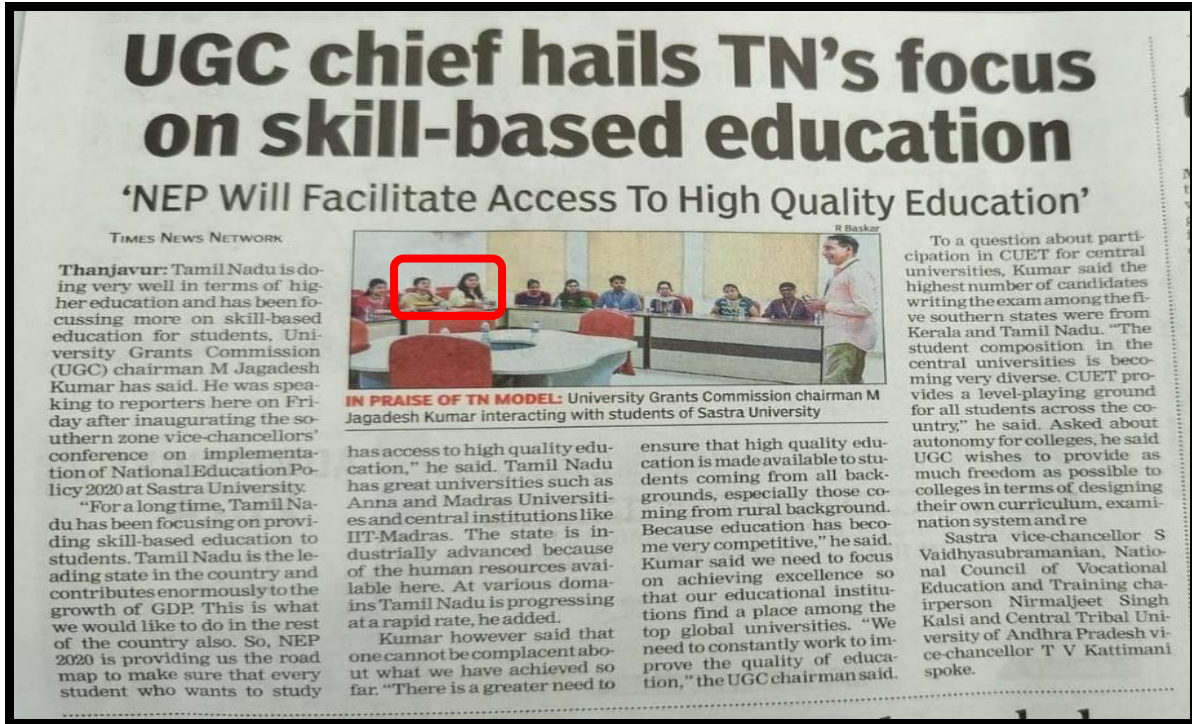

We focus on effective Outcome Based Education and give equal importance to online education platforms like MOOC’s (SWAYAM).

Congratulations!

We are glad to inform you that your registration for the Academic Bank of Credits (ABC) has been approved. You are now a step closer to achieving the joint goal of digital transformation in the education domain.

The registration enables you to

- (i) add students' ABC IDs thereby allowing them to check the earned credits in their ABC accounts
- (ii) deposit students earned credits in Academic Credit Bank against their ABC IDs

ABC ID is a 12-digit unique number which is assigned to a student after they create their account at ABC ID is a 12-digit unique number assigned to a student after they create their account through DigiLocker (<https://www.digilocker.gov.in/>).

Please instruct your students to create ABC ID by following these simple steps -

- Download DigiLocker app from Play store/ App store
- Create DigiLocker account
- Login to DigiLocker account and Academic Bank of Credits under Education category
- Create ABC ID

To begin with, we highly recommend you that you collect and create a record of the ABC IDs of your students. Credit points are required to be mentioned against their ABC IDs in a zipped CSV file & uploaded in NAD

For better understanding of the system, we are appending the link to the resource documents along with the link to Video Conference (VC) through which we daily interact with Educational Institutions and address their concerns

We thank you for your efforts in supporting the Digital India Initiative.

In case of any clarifications, please feel free to contact us at nad.support@digitalindia.gov.in

With best wishes

Best Wishes,

Team DigiLocker-NAD.
