Key Indicator - 6.1 Institutional Vision and Leadership

6.1.1 The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.

Decentralization – Various Committees

Statutory and Non-Statutory Committees are instrumental in ensuring effective governance and institutional development. Statutory committees operate within legal frameworks, ensuring compliance with accreditation standards and governmental regulations. Non-statutory committees provide flexibility in addressing dynamic challenges and opportunities in education. These committees offer strategies for holistic student growth.
