Ban on use of Plastic

We are aware that India is the global host for Environmental Safety to beat Plastic Pollution, ExNoRa Club calls upon Students, Teaching and Non-Teaching Staff to come together and explore sustainable alternatives in reducing the excessive use of single-use plastic. The aim of Government of India is to make every individual to ban single-use plastic items in all colleges, schools, temples and canteens. All institutions shall dispense with the use of single-use plastic items inside and outside college premises.

All Teaching Staff, Non-Teaching Staff and Students under the control of Principal and Vice Principals may be urged to phase out the use of single-use plastic items in the campus. An example set by us will have a huge impact across the country. We may explore holding sensitization session in college to highlight the impact of use of single-use plastic items on environment.
