Ms R. Meenakshi
Assistant Professor of Physics
Cauvery College For Women (A)
Tiruchirappalli 620018 [Tamil Nadu]

Dear Ms Meenakshi,

This has reference to your application PHYT31 for an IASc-INSA-NASI Summer Research Fellowship in 2021. We are happy to offer you a Fellowship to work for two months during this summer subject to verification of your marks as stated by you in the application with the marks sheets. This is only an offer letter and you will be eligible for the certificate only after satisfactory completion of the fellowship. You will be working with Dr Sivarani Thirupathi, Indian Institute of Astrophysics, Bengaluru (e-mail: sivarani@gmail.com).

We have tried as far as practicable to assign you to a guide who works in your area of interest. Where that has not been possible, you will work with the assigned guide in a related area that will be determined by the guide, and trust that the experience will be fruitful to you. We will not be able to make any change in this regard.

This Fellowship is subject to the following norms:

- * The duration of the Fellowship is eight weeks (56 days - including Sundays and General Holidays). However, due to COVID-19 Pandemic, this year it has been decided to allow summer fellows to work for at least 6 weeks if they cannot undertake 8-week fellowship. Fellowship amount will be regulated accordingly.
- * You will be provided a III-tier A/c train fare from Tiruchirappalli to IIA, Bengaluru and back.
- * You will be paid a Fellowship of Rs. 18,750/- per month towards your boarding, lodging, local transport expenses*. For those working virtually, a fellowship amount of Rs. 1,250/- per month to cover internet expenses will be paid. Your guide will decide on the mode of fellowship (real/virtual) depending on the circumstances.
- * The Academy will arrange accommodation at its Fellows Residency in Bengaluru for about 150 summer fellows on first come first serve basis. The charges for the accommodation would be Rs. 3,000/- per month; food and transport on actual basis.

Please also go through carefully & comply with all the instructions given in the attached sheet.

You are advised to get in touch with Dr Thirupathi immediately to work out the exact period of your visit. In the meantime please communicate with Mr C S Ravi Kumar, Coordinator, Science Education Programme, your acceptance of this Fellowship. We would need a joining report from you upon your arrival, and a brief report of your work at the end of four weeks so that your Fellowship for the first month can be paid. After the receipt of the final report, we shall release the remaining amount due to you along with your travel fare.

We urge you to convey your acceptance of this fellowship within 7 days by both online (the userid and password given at the bottom of the email) as well as by returning the Form of Acceptance posted to you. Even if you are not able to accept the fellowship, this should be communicated to the Academy immediately (both by email: jointserf@ias.ac.in with a cc to your guide; and in the Form of Acceptance) so that the fellowship can be offered to another candidate in the waiting list.

With best wishes,

Yours sincerely,

Professor M.R.N. Murthy
Chairman, Joint Science Education Panel, IASc

* It is recommended that each Summer Research Fellow be covered by a personal health/accident insurance policy

Sr / Madam,

Sub: TNSCST - Young Scientist Fellowship - Selection - Intimated - Reg.
 Ref: Approval of 57th Executive Committee Meeting dated 09.09.2020

With reference to your application cited above, I am happy to inform you that you have been selected for the award of Young Scientist Fellowship for the year 2019-2020 for a period of 3 months subject to the following conditions:

- A total sum of Rs.36450/- towards fellowship for 3 months (Rs.30000/-), and if A/C travel fare (to and fro) from parent organization to the host institute, will be provided. If you travel in lower class, the grant is to be reduced correspondingly to the actual train fare.
- The training or collaborative research may be rescheduled and intimated to the Council. It should be completed before the end of July, 2021.
- At the end of the programme, two copies of the research report along with the Certificate from the host institution should be submitted.
- 2 copies of the utilization certificate in the prescribed format should be submitted to the Council as soon as you join duty after completion of the programme.
- Fellowship will not be paid if you avail any leave other than the casual leave during the training period.
- Date of relief and date of joining at the parent institution should be intimated to the Council.
- Your acceptance of this offer as per the conditions above should be informed to the Council on or before 30.10.2020 with details along with reschedule plan.

Yours faithfully,

 Member Secretary

Abstract Code: ENR-80

Dear **K. Kannagi**,

I am pleased to inform you that your recently submitted abstract has been accepted, after passing the technical peer review process, for Oral presentation at the **6th International Conference on Nanotechnology, Nanomaterials & Thin Films for Energy Applications (NANOENERGY 2019)** to be held at The National Energy University, Kuala Lumpur, Malaysia during 27-29 July 2019. Following is the title of your accepted paper:

"Flowerly Co3O4 synthesized via hydrothermal method for supercapacitor application"

You are also welcome to visit The National Energy University in order to see our research facilities and to discuss any possible collaborations. Please remember to mention your above abstract code in any communication with the conference organizers concerning your above work and you will need to mention this when registering yourself for this conference.

If you require an additional letter of support for visa application purposes, please email us info@nanoenergy.co.uk giving the following information: a) your full name, b) affiliation, c) abstract code, d) nationality, e) date-of-birth, f) passport number, g) passport expiry date and (h) have you registered for the conference (paid)?

Looking forward to welcoming you to Kuala Lumpur in July for NANOENERGY 2019.
